<p>Questions by shareholders if any</p>	<p><i>Now I will request the following shareholders to come forward and ask their questions who have registered themselves with us previously.</i></p> <p><i>First I would like to call Mr. Sandeep Singh Pundir. My request to Mr. Sandeep Singh Pundir to raise your hand and ask their question as you register yourself as questioner.</i></p> <p><i>Hello sir a very good morning to the all official here. This side Sandeep Singh from New Delhi. Since the prevailing situation of Covid-19 I just want to know the roadmap for the next 2 years? Thank you.</i></p> <p><i>PKJ: Before Covid we wanted to get into micro financing business but due to Covid we have put the plan on hold and at the moment for next 6months we would like to continue on the same business model we have because we don't take risk of getting and jumping into the new business altogether because we don't know what kind of ultimate scenario pan out in a time to come. But we would like to continue for atleast 31st March, 2021, We would like to continue present business model what we have.</i></p> <p>PKJ: Second I would like to call Mr. Chetan Chadha(CC) <i>CC: Can you hear me sir, PKJ: Ya I can hear you. CC: Sir 1st of all I welcome to the..can you see me? PKJ: Ya I can see you. CC: First of all, I am not able to see the details of those shareholders who are login. Those who register here please on their video, we also want to see the speaker shareholder and request to all the present director on their camera. 2nd thing is as you said on this AGM portal 28 shareholders are present, i just want to know how many shareholders while present in the AGM every year and i want to know the comparison. Next thing what will you doing in the upcoming quarters, that will change your business model and how much possibility you see in terms of percentage hike, that you are diversify towards that model. Why you hold the AGM in the last week, why not at early? You decide the AGM venue at the side of the Delhi, why not decide at the center place so that shareholders are easily reach there. The venue you decided for the AGM there is less reachability of bus. Deciding that venue for AGM where shareholders could easily reach. In the upcoming 3 quarters how you will achieve goals and how will protect the company and how will you survive the company in this pandemic situation. as far as share price is concern we are not getting any return, but shareholders purpose is only wants return on their investment.</i></p> <p><i>PKJ: This is not our control to on the Shareholders video. AGM is conducted as per our convenience and within the legal permissible limit of venue. We can conduct the AGM at that venue which is cost effective and for next year we will try it is conduct it in center eg Connaught palace. We wanted to do Micro financing business but now we are not doing that till the pandemic situation is clear. Our first objective is there is no NPA in our company. In the next 6 month, We will try to save money rather than to earn money. Once the pandemic situation will clear then the Board members will decide what type of new business we can do and will take shareholders approval. For next 6month or 1 year we will do the same business what we do right now. Thnak You</i></p> <p><i>No other shareholder register with us...sorry another shareholder register with us Ms Suman</i></p> <p><i>Suman: Good morning everyone, I am grateful to the Directors & Company Secretary for</i></p>
