MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Overview

Non-banking financial companies (NBFCs) form an integral part of the Indian financial system. They play an important role in nation building and financial inclusion by complementing the banking sector in reaching out credit to the unbanked segments of society, especially to the micro, small and medium enterprises (MSMEs), which form the cradle of entrepreneurship and innovation. NBFCs' ground level understanding of their customers' profile and their credit needs give them an edge, as does their ability to innovate and customise products as per their clients' needs. This makes them the perfect conduit for delivering credit to the unbanked and SMEs. However, NBFCs operate under certain regulatory constraints, which put them at a disadvantage position vis-à-vis banks. While there has been a regulatory convergence between banks and NBFCs on the asset side, on the liability side, NBFCs still do not enjoy a level playing field. This needs to be addressed to help NBFCs realise their full potential and thereby perform their duties with greater efficiency.

Industry Structure and Developments

India has a diversified financial sector undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market. The sector comprises of commercial banks, insurance companies, non-banking financial companies, co-operatives, pension funds, mutual funds and other smaller financial entities.

So far, Non-banking Finance Companies NBFC(s) have scripted a great success story. Their contribution to the economy has grown in leaps and bounds. In terms of financial assets, NBFC(s) have recorded a healthy growth. With the on-going stress in the public sector banks due to mounting of bad debts, their appetite to lend (especially in rural areas) is deteriorating.

Opportunities

NBFCs have served the unbanked customers by pioneering into retail asset-backed lending, lending against securities, unsecured finance and microfinance. Following variables in the external environment may be seen as opportunities for the Company:

- NBFCs aspire to emerge as a one-stop shop for all financial services;
- The sector has witnessed moderate consolidation activities in recent years, a trend expected to continue in the near future;
- New banking license-related guidelines issued by RBI place NBFCs ahead in competition for licenses owing largely to their rural network;
- New RBI guidelines on NBFCs with regard to capital requirements, provisioning norms & enhanced disclosure requirements are expected to benefit the sector in the long run.

Challenges/Threats

- Competitive rivalry between big players is intense in the industry;
- Financial services companies often compete on the basis of offering lower financing rates, higher deposit rates and investment services;
- Stringent regulatory norms prevent new entrants;
- Customers prefer to invest their money with a reputed financial services company offering a wide range of services;
- Low bargaining power of suppliers as the industry is highly regulated by RBI;
- Medium bargaining power of customers. Although customers do not have much bargaining power, they can easily switch to another company based on the terms and quality of services provided;

Strength

The existing management has a strong technical, finance and administrative expertise in various industries and corporate sectors including the business of the Company.

Internal Control Systems and Their Adequacy

Given the magnitude and nature of its business, the Company has maintained sound and commercial practice with an effective internal control system. The system ensures that all transactions are authorized, recorded and reported correctly to safeguard the assets of the Company and protect them from any loss due to unauthorized use or disposition. The adequate internal information system is in place to ensure proper information flow for the decision-making process. The Company also has well-established processes and clearly defined roles and responsibilities for people at various levels. The control mechanism also involves well documented policies, authorization guidelines commensurate with the level of responsibility and standard operating procedures specific to the respective businesses, adherence to which is strictly ensured. Internal audit is carried out frequently to create awareness and to take corrective actions on the respective units or areas, which need rectification.

Outlook, risks and concerns

This section lists forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these statements as a result of certain factors. Our Outlook, risks and concerns inter-alia as follows:

1. Our revenues and expenses are difficult to predict and can vary significantly from period to period.
2. Our success depends in large part upon our management team and key personnel, and our ability to attract and retain them.

Segment-wise or product-wise performance/State of affairs

During the year 2024-25, interest income is 764.85 Lacs (Previous year: 721.66 Lacs), and Total Net gain/(loss) on fair value changes (123.59) Lacs (Previous year: 893.52 Lacs).

Balance 7.95 Lacs is other Income (Previous Year: 3.28 Lacs)

Human Resources

Human resource is the most precious asset of our Company and our Company seeks to attract and retain the best talent available. Our Company provides an environment, which encourages initiatives, innovative thinking and recognizes and rewards performance. Since our Company operates in the Loans and trading business, necessary training and development of its personnel are conducted on a continuous basis. Industrial relations with all employees are cordial. The Directors' Report may be referred for any further details.

The total strength of employees as on March 31, 2025 was 9.

Discussion on Financial Performance with Respect to Operational Performance

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable Indian Accounting Standards (Ind As) issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

Independent Auditor's Report

To the Members of Purshottam Investofin Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Purshottam Investofin Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How the Key Audit Matter was addressed in our audit
<p>Impairment of Loans – Expected Credit Loss (ECL)</p> <p>Refer note 6 to the Financial Statements</p> <p>The Company recognises impairment loss on its loan portfolio using the Expected Credit Loss (ECL) model as prescribed under Ind AS. This involves estimation of credit losses based on range of inputs and assumptions including historical credit loss experience, assessment of credit characteristics of the loan portfolio, classification of loan into various stages, determination of Probability of Default (PD), Loss Given Default (LGD) based on historical trends.</p> <p>As at March 31, 2025, the gross carrying amount of loans is Rs. 6,549.54 lakhs, and the Impairment allowance recognised is Rs. 96.01 lakhs.</p> <p>Considering the significance of the loan balances and the degree of estimation uncertainty involved in the ECL computation, we identified this as a key audit matter for current year audit.</p>	<p>Our audit procedures included, among others:</p> <ul style="list-style-type: none">Obtained an understanding of the Company's ECL methodology, including relevant internal controls over the modelling and estimation process;Evaluated the design and tested the operating effectiveness of key controls over loan staging, data accuracy, and credit risk assessment;Assessed the appropriateness of management's assumptions and key inputs used in the ECL model, including PD, LGD, and EAD parameters;Performed substantive testing on a sample basis to verify accuracy and completeness of loan data used in the model;Evaluated the adequacy of disclosures made in the financial statements in accordance with the applicable requirements of Ind AS.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determined those matters that were of most significance in the audit of the financial statements of the current period and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The financial statements of the Company for the year ended March 31, 2024 was audited by the predecessor auditor who has issued an unmodified opinion on the financial statements, vide report date May 28, 2024.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the Section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration for the year ended March 31, 2025 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with the Schedule V to the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note 33.1 to the Financial Statements.
 - ii. The Company has made provisions as at March 31, 2025 as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, during the year, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, during the year, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year and not proposed final dividend for the year.

vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems.

Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Purshottam Investofin Limited of even date)

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to Financial Statements of **Purshottam Investofin Limited** (the "Company") as of March 31, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Annexure "B" to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Purshottam Investofin Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) In respect of the Company's property, plant and equipment, right-of-use assets and intangible assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(B) The Company does not have any intangible assets and hence reporting under clause 3(i)(a)(B) of the Order is not applicable.
 - (b) Property, plant and equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets.
 - (c) The Company does not have any immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) and hence reporting under clause 3(i)(c) of the Order is not applicable.
 - (d) The Company has not revalued any of its property, plant and equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company is involved in the business of providing loans and does not hold any physical inventories and hence reporting under clause 3(ii)(a) of the Order is not applicable.

(b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned working capital facilities from banks or financial institutions on the basis of security of current assets, and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) (a) Since the Company's principal business is to give loans. Accordingly, the reporting under clause 3(iii)(a) of the Order is not applicable.

(b) The Company, being a Non-Banking Financial Company (NBFC), registered under provisions of RBI Act, 1934. In our opinion and according to the information and explanations given to us, the investment made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees, provided during the year are, prima facie, not prejudicial to the Company's interest.
- (c) The Company, being a Non-Banking Financial Company ('NBFC'), registered under provisions of the RBI Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act/Rules, more particularly the Prudential Norms, monitors repayments of principal and payment of interest by its customers as stipulated. In our opinion and according to the information and explanations given to us, in respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated. Refer notes 6 and 41.1 to the Financial Statements for summarised details of such loans/advances which are not repaid by borrowers as per stipulations. According to the information and explanation made available to us, reasonable steps are taken by the Company for recovery thereof.
- (d) According to the information and explanations given to us, the total amount overdue for more than ninety days, respect of loans and advances in the nature of loans, as at the end of the year is Rs. 79.56 lakhs. Reasonable steps are being taken by the Company for recovery of principal amount and interest.
- (e) Since the Company's principal business is to give loans. Accordingly, the reporting under clause 3(iii)(e) of the Order is not applicable.
- (f) Based on our audit procedures, according to the information and explanation made available to us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.
- (iv) According to the information and explanations given to us, the Company has complied with the provisions of Section 185 and Section 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security made, as applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the RBI or any Court or any other Tribunal against the Company in this regard.
- (vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.
- (vii) In respect of statutory dues:
 - (a) In our opinion and according to the information and explanations given to us, the Company has been generally regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-Tax, Goods and Services Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-Tax, Cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations give to us, we report that there are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2025 except below

Name of the Statute	Nature of the dues	Amount paid (Rs. In lakhs)	Period to which the amount relates	Forum where dispute is pending
Income tax Act, 1961	Income tax	48.21^	FY 2017-18	CIT(Appeals)

^Net of Rs. 12.06 lakhs paid under protest

- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) In our opinion and as per the information and explanations provided to us, by the Management, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) As per the information and explanations provided to us including representation received from the Management, and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) As per the information and explanations provided to us, by the Management, money raised by way of term loan was applied for the purpose for which the loan was obtained.
- (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
- (f) The Company does not have any investment in subsidiary or joint venture or associate companies and therefore the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies and hence reporting on clause (ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the and hence reporting under clause (x)(b) of the Order is not applicable.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) According to the information and explanations to us, the Company has not received whistle blower complaints during the year and hence reporting under clause (xi)(c) of the Order is not applicable.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013, where applicable and details of such transactions have been disclosed in the Note 36 to the Financial Statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date, for the period under audit.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is required to and has been registered under section 45-IA of the Reserve Bank of India Act, 1934 as Non-Banking Financial Company as a Non-Systemically Important Non-Deposit taking (NBFC-ND-NSI) Company.
- (b) In our opinion, and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) In our opinion, the Company is not a Core Investment Company ('CIC') as defined under the Regulations by the Reserve Bank of India and accordingly reporting under clause 3(xvi)(c) of the Order is not applicable.

- (d) As per information provided in course of our audit, the Group to which the Company belongs does not have a CIC.
- (xvii) The Company has not incurred cash losses in the current financial year or the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Act in compliance with second proviso to Section 135(5) of the Act and hence reporting under clause 3(xx)(a) of the Order is not applicable.
- (b) There are no unspent amounts towards Corporate Social Responsibility ongoing projects requiring a transfer to a Special account in compliance with the provisions of Section 135(6) of the said Act and hence reporting under clause 3(xx)(b) of the Order is not applicable.
- (xxi) According to the information and explanations given to us, the Company does not have any subsidiary, associate or joint venture and hence the Company is not required to prepare consolidated financial statements. Therefore, reporting under Clause 3(xxi) of the Order is not applicable.

Notes forming part of Financial Statements for the year ended March 31, 2025

1 Corporate Information

Purshottam Investofin Limited ("the Company") was incorporated on November 04, 1988 under the Companies Act, 1956 and domiciled in India. The Company has its registered office at L-7, Menz. Floor, Green Park Extension, Delhi. The shares of the Company are listed on the Bombay Stock Exchange (BSE). The Company is primarily engaged in the lending business. It also engages in trading of securities.

The Company is a non-deposit taking non-systemically important Non-Banking Financial Company vide certificate No. B-14.01044 dated May 14, 2003. The Company has been classified as Base Layer as per Master Direction Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 dated 19 October 2023, as amended.

2 Basis of Preparation

2.1 Statement of compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

2.2 Basis of measurement and presentation of the financial statements

The financial statements have been prepared on a historical basis except for certain financial instruments - measured at fair value at the end of each reporting period, as explained in the accounting policies below.

The financial statements are presented in Indian Rupees (₹) which is the currency of the primary economic environment in which the Company operates (the 'functional currency'). The values are rounded to the nearest lakhs upto two decimals thereof except when otherwise indicated. The Company presents the Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the order of liquidity as per the format prescribed under Division III of Schedule III to the Companies Act, 2013. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Financial Statements along with the other notes required to be disclosed under the notified Accounting Standards and regulations issued by the RBI.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the circumstances of the normal course of business or in the event of default.

2.3 Use of estimates, judgements and assumptions

The preparation of the standalone financial statements in conformity with Ind AS requires management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Actual results may differ from the estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are the areas that involved a higher degree of estimates and judgement or complexity in determining the carrying amount of some assets and liabilities.

(a) Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. For further details about determination of fair value refer note 42.2 and note 42.3.

(b) Impairment of financial instruments

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

Elements of the ECL models that are considered accounting judgements and estimates include:

- Bifurcation of the financial assets into different portfolios when ECL is assessed on collective basis.
- Company's criteria for assessing if there has been a significant increase in credit risk
- Development of ECL models, including choice of inputs / assumptions used.

(c) Provisions and contingent liabilities

Provisions and contingencies are recognised in the period when they become probable that there will be an outflow of funds resulting from past operations or events that can be reasonably estimated. The timing of recognition requires judgment to existing facts and circumstances which may be subject to change.

3 Summary of Material Accounting Policies

3.1 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

A. Interest Income

Interest income on financial instruments measured at amortized cost/Fair value through other comprehensive income is recognized on a time proportion basis taking into account the amount outstanding and the effective interest rate ("EIR") applicable.

When a financial asset becomes credit impaired and is, therefore, regarded as 'stage 3', the Company calculates interest income on the net basis. If the financial asset cures and is no longer credit impaired, the Company reverts to calculating interest income on a gross basis.

Under Ind AS 109, interest income is recorded using the effective interest rate method for all financial instruments measured at amortised cost and financial instrument measured at Fair Value through other comprehensive income ('FVOCI'). The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR. The Company recognises interest income using a rate of return that represents the best estimate of a constant rate of return over the expected life of the financial instrument.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is booked as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the statement of profit and loss.

B. Dividend Income

Dividend income is recognised in the statement of profit or loss on the date that the Company's right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be reliably measured. This is generally when the Board of Directors/shareholders approve the dividend and company holds shares on the dividend record date.

C. Fees and charges

Fees and charges include fees other than those that are an integral part of EIR. The fees included in this part of the Company's Statement of Profit and Loss include, among other things, fees charged for servicing a loan. Fees and charges are recognized as income only when revenue is virtually certain which generally coincides with receipts.

D. Income from financial instruments at FVTPL

Income from financial instruments at FVTPL includes all gains and losses from changes in the fair value of financial assets and financial liabilities at FVTPL.

E. Other Income

Other income represents income earned from the activities incidental to the business and is recognized when the right to receive the income is established as per the terms of the contract.

3.2 Property, Plant and Equipment

Property, plant and equipment ('PPE') are carried at cost, less accumulated depreciation and impairment losses, if any. The cost of PPE comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses. Subsequent expenditure on PPE after its purchase is capitalized only if it is probable that the future economic benefits will flow to the enterprise and the cost of the item can be measured reliably.

Depreciation is calculated using the written down value method to write down the cost of property and equipment to their residual values over their estimated useful lives as specified under schedule II of the Act.

The estimated useful lives are, as follows:

- (i) Vehicles - 8 years
- (ii) Computer - 3 years
- (iii) Office Equipment - 5 years

Depreciation is provided on a pro-rata basis from the date on which such asset is ready for its intended use. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income/expense in the statement of profit and loss in the year the asset is derecognised.

3.3 Impairment of assets other than financial assets - Property, Plant and Equipments

The carrying values of assets/cash generating units at the each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and if the carrying amount of these assets exceeds their recoverable amount, impairment loss is recognised in the statement of profit and loss as an expense, for such excess amount. The recoverable amount is the greater of the net selling price and value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the statement of profit and loss.

3.4 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
 - In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 financial instruments: Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date;

Level 2 financial instruments: Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities, and credit spreads; and market-corroborated inputs.

Level 3 financial instruments: Those that include one or more unobservable input that is significant to the measurement as whole.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

3.5 Recognition of other expenses - Borrowing Costs

All borrowing costs are charged to the Statement of Profit and Loss as incurred basis the effective interest rate method. Borrowing costs consists of interest and other cost that the Company incurred in connection with the borrowing of funds.

3.6 Financial Instruments

Financial assets and financial liabilities can be termed as financial instruments. Financial instruments are recognised when the Company becomes a party to the contractual terms of the instruments.

A. Recognition and Initial Measurement

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of Profit and Loss. Financial assets and financial liabilities are offset and the net amount is reported in the Balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business.

B. Classification and Subsequent measurement

The Company classifies its financial assets into the following measurement categories:

- (i) Financial assets to be measured at amortised cost.
- (ii) Financial assets to be measured at fair value through comprehensive income.
- (iii) Financial assets to be measured at fair value through profit or loss.

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Accordingly, the financial assets are measured as follows:

(a) Financial assets carried at amortised cost

Financial assets that meet the following criteria are measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. The principal amount may change over the life of the financial asset (e.g. if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business models at a level that reflects how financial assets are managed together to achieve a particular business objective. The Company's business model does not depend on management's intentions for an individual instrument, therefore the business model assessment is performed at a higher level of aggregation rather than on an instrument by-instrument basis.

Debt instruments that are subsequently measured at amortised cost are subject to impairment.

(b) Financial assets measured at fair value through other comprehensive income (FVTOCI)

Financial Assets that meet the following criteria are measured at fair value through other comprehensive income:

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in Statement of profit and loss for FVTOCI financial assets. Other changes in fair value of FVTOCI financial assets are recognised in other comprehensive income. When the asset is disposed of, the cumulative gain or loss previously accumulated in reserve is transferred to Statement of Profit and Loss.

(c) Financial assets measured at fair value through profit or loss (FVTPL)

Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in the Statement of Profit and Loss. The gain or loss on disposal is recognised in the Statement of Profit and Loss.

(d) Equity investments

All equity investments in scope of Ind AS 109, Financial Instruments are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103, Business Combination Acquisition Method applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in OCI. There is no recycling of the amounts from OCI to the Statement of Profit or Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. For equity instruments which are classified as FVTPL all subsequent fair value changes are recognised in the Statement of Profit and Loss.

(e) Impairment of financial assets

Company recognizes loss allowances using the Expected Credit Loss ("ECL") model for the financial assets which are not measured at fair valued through profit and loss. ECL is calculated using a model which captures portfolio performance over a period of time. ECL is a probability weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original EIR.

ECL is required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date (referred to as Stage 1); or

- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The company has established a policy to perform an assessment at the end of each reporting period whether a financial instrument's credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the life of the financial instruments. Based on the above process, the company categorises its loans into Stage 1, Stage 2 and Stage 3 as described below:

Stage 1: When loans are first recognised, the Company recognises an allowance based on 12 month ECL. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2/ Stage 3 to Stage 1.

Stage 2: When a loan has shown an increase in credit risk since origination, the Company records an allowance for the life time expected credit losses. Stage 2 loans also include facilities, where the credit risk has improved and the loan has been reclassified from Stage 3 to Stage 2.

Stage 3: When loans shows significant increase in credit risk and are considered credit-impaired, the company records an allowance for the life time expected credit losses.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. This expected credit loss is computed as $EAD * PD * LGD$ which takes into account historical credit loss experience and forward looking information.

Key elements of ECL computation are outlined below:

- Exposure at Default (EAD) is the maximum exposure as on the reporting date. It includes principal, interest and sanctioned but undisbursed amount (with certain exceptions for Stage 3 & SICR cases). Interest also includes interest accrued but not due.

- Probability of default ("PD") is an estimate of the likelihood that customer will default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously de-recognised and is still in the portfolio. PD is calculated based on historical default rate summary of past years using historical analysis.

Loss given default ("LGD") estimates the loss which Company incurs post customer default. It is computed using historical loss, recovery experience and value of collateral. It is usually expressed as a percentage of the Exposure at default ("EAD").

Definition of Default

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default ("PD") which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

The Company considers a financial instrument as defaulted when the borrower becomes 120 days past due on its contractual payments. Such instruments are considered as Stage 3 (credit-impaired) for ECL calculations and upgraded to Stage 1 only on the event of clearance of all overdue amounts of the customer.

As per RBI's Scale-Based Regulation framework dated October 22 2021, NBFCs in the Base Layer were provided a glide path for implementing revised NPA classification norms. Accordingly, the Company has adopted these norms in a phased manner and will align with the 90 days NPA recognition norm by March 31, 2026.

(f) Financial Liabilities

All financial liabilities are recognised initially at fair value net of transaction fees or costs that are directly attributable and incremental to the origination/acquisition of the financial liabilities except fair value in the case of financial liabilities recorded at fair value through profit or loss. Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method. The effective interest rate method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

(g) Derecognition of financial assets and financial liabilities

Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when the contractual rights to the cash flows from the financial asset expires or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

On derecognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of derecognition) and the consideration received (including any new asset obtained less any new liability assumed) is recognised in the statement of profit and loss.

Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an

exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in the statement of profit and loss.

(h) Assignment Transactions

Transfer of loans through assignment transaction can be made only after continuing involvement in loans i.e. retaining a minimum specific percentage of loan but without retaining any substantial risk and reward in the loan assigned. The assigned portion of loans is derecognised and gains/losses are accounted for, only if the company transfers substantially all risks and rewards specified in the underlying assigned loan contracts. Gain/loss arising on such assignment transactions is recorded upfront in the Statement of Profit and Loss and the corresponding loan is derecognised from the Balance Sheet immediately. Further, if the transfer of loan qualifies for derecognition, entire interest spread at its present value (discounted over the estimated life of the asset) is recognised on the date of derecognition itself as interest strip receivable (interest strip on assignment) and correspondingly presented as gain/loss on derecognition of financial asset.

(i) Derivative financial instruments

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

(j) Undrawn loan commitments

Undrawn loan commitments are commitments under which, over the duration of the commitment, the Company is required to provide a loan with pre-specified terms to the customer. Undrawn loan commitments are in the scope of the ECL requirements.

3.7 Employee Benefits

A. Short-term employee benefits

Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related services.

B. Retirement benefit and other employee benefits

The Company has not made any provision for gratuity liability in the current or previous financial years, as the number of employees remains below the threshold of applicability of the Payment of Gratuity Act, 1972. Consequently, no actuarial valuation has been obtained. Further, in the opinion of the management, the potential liability, if any, is not expected to be material to the financial statements. And, no provision has been made for leave encashment benefits, as the Company does not have a policy for encashment of unutilized leave by employees.

3.8 Leases

The Company has elected not to apply the recognition requirements of Ind AS 116 to short-term leases (lease term of 12 months or less). Lease payments associated with these leases are recognized as an expense on either a straight-line basis over the lease term or another systematic basis.

3.9 Provisions, contingent liabilities and contingent assets

A. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the effect of the time value of money is material, the Company determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

B. Contingent liabilities

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or; present obligation that arises from past events where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability are disclosed as contingent liability and not provided for.

C. Contingent assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are neither recognised nor disclosed in the financial statements.

3.10 Income Taxes

A. Current tax

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. Current tax is the amount of tax payable on the taxable income for the period as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

B. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary difference can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

A deferred tax asset is recognised for the carry forward of unused tax losses and accumulated depreciation to the extent that it is probable that future taxable profit will be available against which the unused tax losses and accumulated depreciation can be utilised.

3.11 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

3.12 Earning per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

3.13 Dividend

Final dividend on equity shares are recorded as a liability on the date of the approval by the shareholders and interim dividend are recorded as liability on the date of declaration by the Company's Board of Directors. A corresponding amount is recognised directly in Other Equity.

3.14 Statement of Cash Flows

Cash flows are reported using the indirect method as prescribed under Ind AS 7, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

3.15 Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind As 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no impact on its financial statements.

42.2	Fair Value Hierarchy					
	The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques: Level 1: Level 1 hierarchy includes financial instruments measured using unadjusted quoted prices in active markets that the Company has the ability to access for the identical assets or liabilities. A financial instrument is classified as a Level 1 measurement if it is listed on an exchange. Level 2: The fair value of financial instruments that are not traded in active markets is determined using valuation techniques which maximize the use of observable market data either directly or indirectly, such as quoted prices for similar assets and liabilities in active markets, for substantially the full term of the financial instrument but do not qualify as Level 1 inputs. Level 3: If one or more of the significant inputs is not based in observable market data, the instruments is included in level 3. The Company has measured contingent consideration based on Level 3.

42.3	Financial Instruments not measured at fair value					
	Financial assets not measured at fair value includes cash and cash equivalents, loans and other receivables. These are financial assets whose carrying amounts approximate fair value largely due to their short term nature.					
	Additionally, financial liabilities such as trade payables, borrowings and other financial liabilities are not measured at fair value, whose carrying amounts approximate fair value largely due to the nature of these liabilities.					
	Carrying values were assumed to be approximate fair values for these financial instruments as they are short-term in nature and their recorded amounts approximate fair values or are receivable or payable on demand.					
42.4	Financial Risk Management					
	The Company's business activities expose it to a variety of financial risks, namely credit risk, liquidity risk and market risk. The Company's risk management assessment and policies are established to identify and analyse the risk faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.					
	This note explains the sources of risk which the Company is exposed to and how it manages the risk.					
(a)	Credit Risk					
	Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investments, derivative financial instruments, other balances with banks, loans and other receivables. The effective management of credit risk requires the establishment of appropriate credit risk policies and processes.					
	In regards to loans and advances of the Company, the credit risk is managed in accordance with the Expected Credit Losses ("ECL") policy by monitoring of credit risk basis the days past dues. The following staging criteria based on Days Past Dues (DPDs) fixed for Loan portfolio as per the Ind AS 109. Stage 1 to Stage 2: More than 60 Days Past Due as criteria for Stage 2 classification. Stage 2 to Stage 3: More than 120 Days Past Due as criteria for Stage 3 classification. The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Company undertakes the classification of exposures within the aforesaid stages at borrower level.					
	Definition of default A default on a financial asset is when the counterparty fails to make the contractual payments within 120 days of when they fall due. Accordingly, the financial assets shall be classified as Stage 3, if on the reporting date, it has been 120 days and above past due. Non-payment on another obligation of the same customer is also considered as a Stage 3.					
	The Calculation of ECL ECL is a probability weighted credit losses (i.e. present value of all cash shortfalls) over the expected life of the financial instruments. Cash shortfalls are the difference between the cash flows that the entity is entitled to receive on account of contract and the cash flows that the entity expects to receive. The mechanics of the ECL calculations are outlined below and the key elements are as follows: (i) Portfolio Segmentation The Company is engaged in the business of providing unsecured loans to SMEs and individuals with proprietary businesses, the borrower profiles are having similar risk characteristics across the loan book. (ii) Exposure at default (EAD) Exposure at Default gives an estimate of the amount outstanding when the borrower defaults. It is the total amount of an asset the entity is exposed to at the time of default. The exposure at default for the loan is outstanding principal and accrued interest. (iii) Probability of default (PD) Probability of Default is calculated based on historical default rate summary from previous financial periods using historical analysis. (iv) Loss Given Default (LGD) LGD for loan portfolio will be calculated at a portfolio level based upon the actual recovery data. In case of insufficient recovery information due to low/no defaults, a proxy LGD based on industry practice would be used.

(b) Liquidity Risk						
Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

(c) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk, such as equity price risk and commodity risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to any foreign currency risk as at the respective reporting dates.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However, the Company is not significantly exposed to interest rate risk as at the respective reporting dates.

(ii) Price risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. The Company is exposed to market price risk, which arises from FVTPL Investments, derivative financial instruments and Securities held for trade which are valued using quoted prices in active markets (level 1 investments). A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below:

43	Capital Management	As at March 31, 2025	As at March 31, 2024
	For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity shareholders of the Company. The primary objectives of the Company's capital management are to ensure that the Company complies with the externally imposed capital requirements and to maximise the shareholder value. The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. To maintain or adjust the capital structure, the entity may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors the return on capital, as well as debt to equity ratio, which is total debt divided by total equity. The Company's policy is to keep the optimum debt to equity ratio.		
	Particulars		
	Total debt (₹)	2,588.75	4,491.11
	Total equity (₹)	5,702.97	3,911.40
	Total debt to equity ratio (times)	0.45	1.15
	No changes were made in the objectives, policies or processes for managing capital except regulatory amendments during the years ended March 31, 2025 and March 31, 2024.		
44	Business Combination		
	The Board of Directors ("Board") in their meeting held on December 24, 2024, had approved the Scheme of Arrangement for Amalgamation of Middle Path Trading Private Limited ("Transferor Company 1") and Shiraj Marketing Private Limited ("Transferor Company 2") ("Transferor Companies") with Purshottam Investofin Limited ("Transferee Company"/ "the Company") and their Respective Shareholders and Creditors ("Scheme") under the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 ("Act") read with the Rules framed thereunder. The Hon'ble National Company Law Tribunal, New Delhi Bench ("NCLT"), vide its Order dated January 01, 2025, ("Order") (certified copy of which was received on January 30, 2025) has approved the scheme. The Appointed date of the Scheme is April 01, 2024. The Company had filed the certified copy of the order of NCLT sanctioning the scheme in form INC-28 with the Registrar of Companies on February 28, 2025 and accordingly, the scheme has become effective on February 28, 2025 ("Effective Date"). In terms of the Scheme, the Board of Directors of the company at its meeting held on March 24, 2025, has issued and allotted 23,37,303 fully-paid up equity shares of INR 10/- each to the eligible shareholders of the erstwhile Transferor Companies whose names appear in their Register of Members as of the Effective Date, i.e., February 28, 2025. The said date has been considered as the Record Date for determining the eligible shareholders of the Transferor Companies entitled to receive the equity shares of the Company, as per the approved Scheme. The said equity shares as allotted to the shareholders of the Transferor Company 1 and Transferor Company 2 shall rank pari passu in all respects, with the existing equity shares of the Company. Further, the Board also noted the cancellation of 11,97,583 equity shares of INR 10/- each held by the Transferor Company 2 in the Company. Further, the Company was applied for the listing of these aforesaid allotted equity shares with BSE Ltd. Consequent to the scheme become effective, the revised authorized share capital of the Company is Rs. 19,45,00,000/- (1,94,50,000 equity shares of Rs 10/- each) and Paid Up Share Capital is Rs. 7,42,32,950 (74,23,295 equity shares of Rs 10/- each). The NCLT order effect had been considered for the year ended March 31, 2025 by transferring the carryings amount of all the assets and liabilities of the Transferor Company to the Transferee Company with effect from the Appointed date of April 1, 2024.

Explanatory Statement pursuant to section 102(1) of the Companies Act, 2013:

The following Explanatory Statement in terms of Section 102 of the Companies Act, 2013 ("Act") is annexed to and forms part of the Notice convening the 36th Annual General Meeting:

Item No. 3

In terms of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') and other applicable provisions of the Companies Act, 2013, each as amended, the Company is required to appoint Secretarial Auditors for a period of 5 years commencing FY2025-26, to conduct the Secretarial Audit of the Company in terms of Section 204 and other applicable provisions of the Companies Act, 2013 read with Regulation 24A and other applicable provisions of the SEBI Listing Regulations read with applicable SEBI Circulars. The Audit Committee and the Board of Directors at their respective meetings held on August 13, 2025 have approved subject to approval of Members, the appointment of M/s Kundan Agrawal & Associates, Peer Reviewed Firm of Company Secretaries in Practice as Secretarial Auditors of the Company for a term of 5(Five) consecutive years to hold office from the FY 2025-26 till FY 2029-30.

M/s Kundan Agrawal & Associates has provided its consent to be appointed as Secretarial Auditors and has confirmed that, if appointed, its appointment, will be in accordance with Regulation 24A of the SEBI Listing Regulations read with SEBI Circular No. SEBI/HO/CFD/CFD-PoD-2/CIR/P/2024/185 dated December 31, 2024 and other relevant applicable SEBI Circulars issued in this regard.

Brief Profile of the Secretarial Auditor: M/s Kundan Agrawal & Associates has almost 16 years' experience of conducting secretarial audit of companies working in different sectors, covering various laws applicable on them. They provide excellence consultancy services on corporate law including quasi-judicial, FEMA, RBI, Income Tax, GST, Intellectual Property Rights, Business Advisory, Project Loan, Formation and Management of NGOs and other area of services.

Disclosure under Regulation 36(5) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

Term of appointment: 5 (Five) consecutive years commencing from April 01, 2025 upto March 31, 2030.

Remuneration: The proposed remuneration to be paid to M/s Kundan Agrawal & Associates, for FY2025-26 is Rs. 0.75 lakh plus applicable taxes and reimbursement of out-of-pocket expenses. The Audit Committee and the Board is of the view that Rs 0.75 lakh is reasonable audit fee considering the size and scale of Purshottam Investofin Limited. The remuneration to be paid to Secretarial Auditors for the remaining term i.e. from FY2026-27 through FY2029-30 shall be mutually agreed between the Board, based on recommendation(s) of the Audit Committee, and the Secretarial Auditors, from time to time. The remuneration for FY2026-27 through the FY2029-30 shall be decided considering changes in scope of audit and to meet inflationary costs of providing the audit service.

Basis of recommendations: The Audit Committee and the Board of Directors have approved & recommended the aforementioned proposal for approval of Members taking into account the eligibility of the firm, qualification, experience, independent assessment & expertise in providing Secretarial audit related services, competency of the staff and Company's previous experience based on the evaluation of the quality of audit work done by them in the past.

None of the Director(s) or Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No. 3 of the Notice.

The Board recommends the Resolution set forth in Item No. 3 for the approval of the Members.

Item No. 4

Pursuant to Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'Listing Regulations'), approval of the members through ordinary resolution is required for all material related party transactions, even if they are entered into in the ordinary course of business and on arm's length basis. For this purpose, a transaction is considered material, if the transaction/transactions to be entered into individually or taken together with previous transactions during a Financial Year exceeds rupees Rs. 1,000 crore or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower.

The Company is a Non-Banking Financial Company (NBFC), primarily engaged in the business of financing and dealing in securities market. The company may have a temporary surplus or deficit and these limits are for exceptional circumstances. With the above background and considering the nature of business and operations of the Company, it does sometimes enter Related Party Transactions in the ordinary course of business including Inter-Corporate Deposit ("ICD") from/to related parties as last resort.

It would be our constant endeavour to limit the volume of such transactions and pursue this route only in the event of an exigency.

The aforementioned proposal, if approved by the Members shall be valid up to the date of the next AGM for a period not exceeding fifteen months.

All the Related Party Transactions entered into by the Company are on arm's length basis and in the ordinary course of business and approval of the Audit Committee / Board is obtained, wherever required. The Company has existing arrangements with Prabhusar Algotech Private Limited (Formerly known as Pranidhi Ventures Pvt. Ltd.), which is in the ordinary course of business and at arm's length basis. However, the estimated value of transaction (existing and proposed) is likely to exceed the materiality threshold as prescribed under Regulation 23 of the Listing Regulations. Thus, these transactions would require the approval of the Members by way of Ordinary Resolution. Both the above entities are 'Related Party' as per definition under Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the Listing Regulations.

Approval of the Members is sought to ratify/approve all existing contracts/arrangements/ agreements/transactions with the aforesaid party. Further, the approval is also sought to enable the Board for entering into new/further contracts/ arrangements/ agreements/ transactions (including any modifications, alterations, amendments or renewal thereto) with the aforesaid parties subject to the limits mentioned in the table below:

Item No. 5

The Company has been making investments in bodies corporate, given loan, provide guarantee or security from time to time, in compliance with the applicable provisions of the Act.

The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly give any loan to any person or other body corporate, acquire by way of subscription, purchase or otherwise, the securities of any other body corporate and give any guarantee or provide security in connection with a loan to any other body corporate or person, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more. Further, the said Section provides that where the acquisition as provided under Section 186(2) of the Act, exceeds the limits specified therein, prior approval of Members by means of a Special Resolution is required to be passed at a general meeting.

In view of the increase in limit, the Board of Directors at its meeting held on August 13, 2025 proposed and approved to increase the maximum limits upto Rs. 300.00 Crores (Rupees Three Hundred Crore only) over and above the limit of 60% of the paid-up share capital, free reserves and securities premium account of the Company or 100% of free reserves and securities premium account of the Company, whichever is more, as prescribed under Section 186 of the Companies Act, 2013.

The Company, being a non-banking financial company registered with the RBI and engaged in the business of giving loans, is exempt from complying with the provisions of section 186 of the Act in respect of loans.

In view of the above and considering the long-term business plans of the Company, which requires the Company to make directly or indirectly give any loan to any person or other body corporate, acquire by way of subscription, purchase or otherwise, the securities of any other body corporate and give any guarantee or provide security in connection with a loan to any other body corporate or person, from time to time, prior approval of the Members is being sought for enhancing the said limits. Hence, the Special Resolution at Item No.5 of the Notice.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Special Resolution.

The Board recommends the Special Resolution as set out in Item No.5 of this Notice for approval of the Members.
